

Mobile Deposit Usage Guidelines

System and application requirements

Mobile Deposit is supported on the iPhone iOS 5.0.1+, the iPad iOS 5.0.1+, Blackberry OS 4.2 (non-touch screen devices) and OS 4.7 (touch screen devices), Blackberry OS 6, and the Windows phone OS 7.5+.

Visit the app store for your mobile device to download the CB&S Bank app.

To use Mobile Deposit, you will be required to enter your CB&S Bank Internet Banking Access ID and Password.

Subject to availability

Mobile Deposit enrollment is subject to eligibility. Account must be opened for 60 days and in good standing.

Mobile Deposit controls

Mobile Deposit users are required to retain the original paper item in a secure environment for at least thirty calendar days from the date of deposit. After thirty days, the item should be destroyed or marked as "VOID." Do not leave the deposited items lying around and do not dispose of them unless they have been shredded first.

You can review and print the [CB&S Bank Internet Banking and Mobile Banking Terms and Conditions](#).
