

Prevent Child Abuse

Prevent Child Abuse America® is the national champion of great childhoods for all children.

Founded in 1972 in Chicago, Prevent Child Abuse America works to promote the healthy development of children and prevent child abuse before it can occur in order to help children to grow up and contribute in their communities. The 50 state Chapter Network works every day to promote the kind of strategies and activities that make a difference locally as well as nationally.

CB&S Bank employees donated a total of \$337 to this worthy case!
